# GENERAL BREAKDOWN

Pills, the Great Blood Tonic, Have Been Curing for Years.

There is no more perplexing trouble for a physician to treat than debility cases, especially in women, in which there is no acute disease but in which the patient every day sinks lower and lower despite changes of medicine and similar experiments.
That Dr. Williams' Pink Pills will

restore health under these conditions is no speculation but the fact has been proved in hundreds of cases similar to that of Mrs. Sarah Ramsey, of 1008

never felt well after my first in my stomach and could not hold any food down. My head ached a great very poor condition and my hands and place.

As they could not locate Dr. Foster I was extremely nervous he left and the least excitement would bring View, the lawyers could not get him to on a dizzy speil.

"For a number of years I was under a doctor's care but seemed to get no better. I had heard about Dr. Wilthem. I soon felt better and gained in weight and strength. My nerves house, Boston. A council of war was are strong now and I am a well woman held and one of the principal managers
